It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until <b>July 2021:</b>	Areas for further improvement and baseline evidence of need:
<p>Engaged more SEND &amp; PP pupils in after school clubs and enrichment activities</p> <p>Children more regularly active at lunchtimes</p> <p>Improved understanding of fitness and health across the school</p> <p>Developed range of high quality CPD for staff in autumn 2020 and spring 2021</p>	<p>Address the increased need for children to be regularly active throughout the school day, owing to Covid-19.</p> <p>Invest in enhanced package of support and training from Dartmoor Sports Partnership – enrichment activities and sports specialists working with teachers at Shaldon</p> <p>Once Covid restrictions lifted in summer 21: Sports tournaments and swimming lessons to resume May 2021</p>

Meeting national curriculum requirements for swimming and water safety.	To be completed in summer 2021
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	90%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	85%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	90%

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
More children gaining experience of the sport and developing character through competition More children achieving success at a higher level	Compete in a range of learning community events and whole partnership events Entered local SSP gymnastics remote competition Will enter cyclocross competition Will enter SSP organised sports competitions as COVID restrictions allow	It has not been able to invest spending in this area this year, owing to lockdown. The funding of our sports budget has instead been on a highly skilled sports specialist teacher, who has provided children with opportunities in school to compete and take part in inter-house tournaments.	Greater resilience  Understanding of importance of healthy lifestyle and exercise to manage stress and anxiety during lockdown  Greater sense of well-being and achievement through sport, which has been a motivating factor in completing remote learning during the pandemic.	Continue to be fully engaged in the SSP Continue to introduce new children to competition and nurture talent  Signpost children to community clubs
